Translation:-

If the world does not attract you, if your eyes fill with tears out of fear of Allah, if the thought of hell creates the fear of God within you, if you worship Allah as he ^{ought} deserves to be worshipped, if righteousness draws you towards itself and you ^{do} refrain from walking the path of evil, then you are righteous. Some are born righteous, some become righteous. Being righteous is a blessing. Becoming righteous is a journey. It takes time, efforts, and pain. It requires constant purification and struggle.
