

English Precis Test-02

Name: Sadaf Talib

Batch: 1st-075

Campus: Islamabad ID: 38356

Wealth Prioritize over Ethics

A well-educated, intellectual and a brave man always prioritize work not to

prioritize to accumulate wealth. Same the case with

soldiers, they like to fight not to like pay for battles.

Same the case with clergy

men and also with doctors

Doctors ought to like fee but good doctors care about their patients. There is no doubt

that money is important but their work, ethics, moral obligation always comes first than money.

Your precis is not good

Extract all ideas from the passage

Don't make sentences complicated

Make simple sentences

Topic is complete

opposite to idea of the passage
