## Strong Aspirations ~~lead to~~ Better Goals

~~For an~~ intellectual and well-trained man, rewrite this sentence

~~his~~ ultimate goal of his profession is not ~~Only making money. He indeed likes~~  
~~being paid for his services, and~~  
~~enjoys the feelings of winning money.~~

A good soldier would ~~still~~ fight to ~~win even if his salary is retained.~~

A brave doctor would ~~still~~ cure the sick, if he ~~loses~~ his fee. It is because their profession is their aspiration. For them, work is first, pay comes later.
