

Q Translation

If the world does not attract you towards itself, if tears well up in your eyes because of fears of Allah, if imagination of Hell scares you

afraid you, if you worship Allah in such a way ^{the way it is ought to be done} that it can be done, if goodness inclined you to itself and if your feet

stop going towards badness then you are virtuous. Some are born virtuous and some become. To be virtuous is a good fortune.

To become a virtuous is an act of continuous purification and struggle. It takes time and one has to endure sufferings.
