

Translation

If the world doesn't pull you towards itself, if the fear of Allah brings tears to your eyes, if the thought of hell incites in you the fear of God, if you worship Allah the way it should be done, if goodness attracts you towards itself, and if your feet stop from going to the way of evil, then you are righteous. Some are righteous, some become righteous. To be righteous is a matter of good fortune. To become righteous is an act of continuous catharsis and wars. It takes time and pains, too, have to be endured.
