English Translation Test - 2

If the world does not pull you towards itself,
~~If~~ ^{if} the fear of Allah invokes tears in your eyes,
~~If~~ ^{if} thinking about hell makes you fear God, if you
pray to Allah the way it is prescribed, if
good deeds attract you and you feet come to
a halt if moving towards a sin then you are
righteous and good. Some are born righteous ~~and~~
some become righteous ~~later on~~. Being righteous
is lucky indeed. Being righteous is constantly
a matter of jihad. It takes time and
suffering as well. and one has to endure sufferings as well
