Question No. 1:-

Answer:-

Most of us fail in our efforts for self improvement because we make our goals or schemes too ambitious not realising that they are not realistic. As a result we are unable to fulfill it. Additionally, from past experience has taught us certain frustration that result from failure. These are some reason because of which we fail in our efforts.

Question No. 2:-

Answer:-

It is a basic mistake to announce our resolution to everybody because if you could not make up to it, we will look foolish in front of others.

The embarrassment from not living up to our public commitments discourages us further.
