

Paragraph Test #2

Date _____

A thing of beauty is a joy
forever

For sure "A thing of beauty is a joy forever". But Beauty is subjective. It covers a broad dimension. Even if it is objective, it is unlikely that it acts as a joy forever. A thing of beauty could be success, memories, care from love one, appreciation and many other things which is a joy forever. One puts a lot of efforts to succeed in life and it becomes a joy forever once she/he achieves it. However success is also subjective. For certain some people certain memories act as a thing of beauty which is a joy forever. No matter in what circumstances one is, whenever he remembers those memories he feels a sense of joy. Like care from your love ones also act as a thing of beauty whenever one thinks about he/she feels secure which gives him/her a sense of joy. Another thing is appreciation which also brings a joy forever as it is a thing of beauty which can not be forgotten. In nutshell there are various perspective regarding a thing of beauty is a joy forever.
