write a précis of the following passage and also suggest a suitable title.

Indent the paragraph.

Title: True Purpose over ~~Purpose~~ Profit

The educated and courageous individuals do not prioritize wealth above all.

~~Just as one enjoys dinner without making it life's goal,~~ professionals should value their work beyond monetary gain. Soldiers fight for victory, not wages; clergymen preach to serve, not to earn; and doctors aim to heal, not just collect fees. For truly noble individuals, the essence of life lies in fulfilling responsibilities with dedication, where money is important, but always secondary to purpose.

Idea is ok.
