Title

Duty comes first

making money is not a main objective of polymath. For instance, a soldier's, definitely he is happy of his pay, but it is not his primary goal, a soldier's only goal and desire is to fight well and win a war. He fight for his country not for money. Similarly, a clergy help people not for money but to serve humanity. Likewise, a doctor's primary concern is ~~the~~ health of his patient not the fees which comes second.
