

Of thing of beauty is a Joy Forever

Beauty is not a selection; it is a preference, liked by all, neglected by none. Of thing of beauty is a joy forever, this statement explains the significance of beautiful things or memories that bring lasting joy or happiness. These things may include different creations of Allah and His creation mankind. Value and art are among the most highlighted ones. These things bring pleasure to mankind and make them feel electrified and enthusiastic, ultimately keep them motivated to pursue their goals effectively. Unfortunately, people neglect these attributes these days, as they find/consider them useless. Even though, a single of action of kindness posses the potential to make someone's day beautiful, assisting him to

Keep himself optimistic, despite several challenges of life. Similarly, just like moral actions bring joy and a feeling of ecstasy, art brings joy in peoples' life, too. It can serve as a source of affection. Painters and sculptors lone to create beautiful things, they want to capture the beauty of nature in their paintings.

They take inspiration from nature and paint it on white paper with the colors of love and hope. Undoubtedly, Nature is a continuous source of inspiration. The way Allah has painted the world beautifully and serenely makes humans reminded of His art, His powers, His choice, and His preferences. All these things bring a sense of joy to the busy lives of the people. Ironically, humans are still unable to comprehend the

The beauty that nature has spread all over the world. Human ought to understand the importance of beauty and must try to ~~preserve~~ them to keep them available in their original condition.

Beauty is hidden in nature, in paintings and even too in human dealings. Therefore, humans must try to recognize the significance of these all to their paths toward developmental trajectory.
