

Translation

If the world doesn't attract you towards it,
If the fear of God/Allah brings tears to
your eyes, If the thought of hell frightens
you, If you worship Allah in such a
way that how it should be, If you lean
towards goodness and try to distance
yourself from evil that means you are
righteous. Becoming righteous is a sign
of good fortune. In order to become
righteous, it requires constant self remainder
and a struggle. It is a time taking process
and one must bear difficulties as well.
