Question: Translate the passage.

History is replete with examples of successful people who began their lives under challenging circumstances, but eventually they became eminent and successful individuals in the world. Success, respect and fame are never earned easily. Only wealth can be earned without struggle at times. However, a necessary condition to inherit wealth in this manner is that one's forefather possess property / assets. Through wealth one can afford worldly pleasures but cannot acquire happiness.

Sometimes, it ~~is~~ takes many years for a man to earn respect, but it takes a moment to become disgraced and controversial.
