History is full of those successful people who started their life in very difficult conditions, but with the passage of time they were counted ~~as~~ in the list of world's successful and renowned personalities. You can not ^{get} success, honour and fame easily. Only you can get money without efforts with a condition that your forefathers must have property. You can buy worldly things ~~by~~ with money, but not happiness. Sometimes many decades are passed in earning honour but a moment is enough for being humiliated or becoming controversial.
