History is brimming with such people who rose from the hardest of circumstances and went on to etch their names among the most successful and ~~best~~ renowned individuals of the world - success, respect and fame are never served to you on a silver plate - only wealth might be and even that comes with a catch that your ancestors must left behind an inheritance. Money can buy you comfort, but not contentment. Earning respect may take decades, but losing it or becoming a subject of controversy can take just a moment.
