

Esha M. Ramzan

RWB Batch - 66

LMS ID : 37966

The history is full of the successful people who had started their lives from difficulties, but after they became ~~the~~ among the successful and famous personalities. Success, respect, and Fame can not be served in plates to you, only money can, but for this also, it is mandatory for your forefathers to have wealth then you will get it. Sometimes, the decade has passed for human to earn respect but it ~~took~~ takes just a moment to be humiliated or ridiculed.
