Translate the following into English, keeping in view the idiomatic/figurative expression.

History is replete with accounts of triumphant individuals who commenced their journeys under the most challenging circumstances. Yet, with perseverance and determination, they eventually rose to become some of the most distinguished and celebrated figures in the world. Fame is never bestowed effortlessly, it is not something served on a silver platter. At most, wealth might be inherited, but even that presupposes ancestral ownership of substantial assets. While money may grant access to material luxuries, it can never buy true happiness. Earning genuine respect can take decades of unwavering effort, whereas a single misstep or controversy is often sufficient to tarnish a reputation in an instant.
