History is full of such successful people who started their life in hardships, but later they rose to be counted among the successful and well-known personalities. Success, respect and fame do not come easy; only wealth can be served on a plate on the condition that you inherit it from your forefathers. With wealth, you can buy material necessities but can't buy happiness. Sometimes, it takes decades/years to earn respect; but a moment to lose it or to become a controversial figure.
