## The Blessing of Loving Others

One night Abu Ben Adham saw an angel writing something in a golden book. Upon Abu's enquiry, the angel said that he was writing the names of those who love God. Abu found his name missing and requested to be ~~xxx~~ recorded as the one who loves his fellowmen. The angel vanished and returned next night with a divine light, revealing the list of those ~~blessed~~ blessed by God's love. Abu's name was at the top of that list.
