Translate the following into English, keeping in view idiomatic / figurative expression.

History is full of such people, who started their life from worst situation but with the passage of time they were included in world's famous and successful personalities. Success, respect and fame is never given to you in a plate. Only the wealth can be served you in a plate but the condition for this is your ancestors must have property, then it's possible. You can buy worldly lust from money but not happiness. Often, it took centuries ^{by} ~~to~~ a
