Q. Translate the following into English, keeping in view the idiomatic/figurative expressions.

Ans. Translation:

History is full of those people, who started his career in a during a difficult situation. But later on they were among the famous and successful personalities of world. Success, honour and fame is not a piece of cake. Only wealth / money, you can borrow / inherit from your investors in a situation they also have some property. You can buy the worldly assists from money but can't happiness. Men takes year to build good reputation but there is only one complex situation can ruin it in a single moment.
