

Abu Ben Adhem and The Angel

Abu Ben Adhem was a holy man. He woke up to see an angel writing in a book of gold. The angel listed those who loved God, but Abu's name was not present. He wanted his name to be written as one who loves mankind. The angel noted it and disappeared. The next ~~an~~ Angel returned the next night and revealed Abu the list of people blessed by love of God. His name was at the top.
