

The history is full of such successful people who started their lives in a very difficult times, but later on, they were included in successful and famous people of the world. Success, respect, and fame can not be served to you in a plate, only money can be served to you in a plate but for that your ~~for~~ forefathers must have some property, that will be given to you. You can buy materialistic things with money, but not happiness.

Sometimes, it take decades to earn respect but to earn disrespect or become controversial, an instant of time is enough.
