## God Loves Those Who Love Their Fellows.

well done

In a peaceful night, a Saint named Abu Adhem found an angel in his room, who was writing something in a golden book. The kind face of angel made Adhem relaxed, so he asked him that what is he writing? The angel kindly replied that he is listing the name of those who love God. Adhem didn't find his name in the list. He pleaded angel to <sup>even</sup> write down his name with those who love their fellow Companion. The angel did the same and disappeared. The next night, angel came again and unveiled the name of those who had been endowed by the love of God and luckily, Adhem's name led all the rest.
