Batch # 77

Title

Wish of Abu Ben Adhem

Abu Ben Adhem woke up, and saw an angel writing something. Upon asking, angel answered that he was writing the God's lover's names. After not finding his name, Abu requested him to write his name in mankind's lover's list. Next night, angle presented him the list of people blessed with the love of God and Abu's name was at the top.

Total words of original passage = 166

Total words of Preci passage = 57

Title can be made better

Title should be such that it incorporate the whole idea of the passage

Careful about using article
