Last line is not properly translated

It takes many year for a person

to earn respect but takes a

moment to lose in by involving in

Successful people

a conflict

History is full of succeeded people who started their life with very difficult situation but with the passage of time they are counted in world succeeded and famous personalities. Success, respect and honour can't be served you in a plate just money can be served you in a plate, for this there is also one condition that your ancestors should have property so then you can receive a money. With the money you can buy worldly things but cannot buy a happiness. Sometimes human spends many decades to gain respect, to gain disrespect or to be disputed one moment is enough.
