

Translate into English:

History has an enormous examples of successful persons who started their lives in difficult circumstances but latter on, they were became the ~~god~~ achievers and famous personalities. Success, respect and fame ~~should~~ never serve you like a piece of cake. Only ~~the~~ money can give you in some easy ways

but for that, it is necessary you grandparents must be fidel lords, then you will get it easily.

You can buy materialistic things from money but money can't buy happiness. Sometimes, decades are required for a person to earn respect but for dis-respect, only a moment is enough to earn it.
