~~Title: Abu and the golden book~~

One night ~~Abu~~ woke up and saw an angel writing ~~Something in his golden book.~~

~~IE had the names of people who love God; being a holy man, he asked 'If his name was in it'~~ and the angel replied no.

~~Abu~~ prayed may God include his name in it, the angel then left. Next day the angel returned and its divine illumination woke up abu. He was happy to see his name at the top of the list.
