

History is full of such people who started their journey with hardships

but after dedication they turned out to be the most successful and

Famous personalities. Success, respect and glory cannot be served in a plate rather

only wealth can be done, but condition applied that the wealth should

originate from previous generations. Wealth

can buy any materialistic thing but

cannot grant you happiness. Sometimes

it might take decades for a person

to earn respect but on contrary it

takes a moment to lose it.

Use proper words to describe an

idea

lose

Wealth can be taken....
