- SEGMENTATION

One night a holy man, Abu Ben Adhem by name, suddenly woke up from a deep dream of peace and saw in his moonlit room an angel writing something in a book of gold.

Abu Ben Adhem woke up and found in his moonlit room, an angel writing something in a book of gold.

He did not feel at all frightened - The peaceful face of the angel made Abu bold and he said to the angel, "what are you writing?". The angel looked up and replied in a kind and sweet tone "I am taking down the names of those who love God."

The peaceful presence of the angel made Ben Adhem ask him questions boldly to which the angel responded sweetly.

But the angel replied, "No, it is not". "I pray thee then said Abu, "To write me down as one who loves his fellowmen". The angel wrote and vanished.

Upon not finding his name in the list, Ben Adhem asked the angel to write it down in the list of those who love His people, to which the angel paid heed and went away.

The next day the angel came again with a greater light which awaked Abu Ben Adhem; and he showed Abu the names of those who had been blessed by the love of God. And behold! The name of Abu was at the top of the list.

The same happened the next night, but this time, the angel showed Ben Adhem the list of those whom God loved, and to his surprise his name was on the top.
