Once a religious man named Abu Ben Adhem experienced a peaceful spiritual encounter with an angel. The angel was writing the names of people who loved God ^{Abu} on a book of gold. When the angel told ^{Abu} Adhem that his name was not in the list. Abu told him to write his name among ^{me} those who are compassionate. Angel disappeared and came the next day with a list of people God loves, and Abu's name was the first on the list.
