Translation

History is full of successful people who began their lives with extremely difficult circumstances. but later on they were among the successful and renowned personalities of the world. Success, respect and fame are never served to you on a plate, only wealth can be handed to you on a plate. It has a condition that your forefathers must have property for you to inherit wealth. You can buy worldly comfort with money but you cannot buy happiness. Sometimes, it take decades to earn respect, but only take a moment to earn disgrace and become controversial.
