The Power of Dua.

Preci:

One night a religious man named Abu Ben Adhem woke up and saw his room bright and an angel writing in a golden book. He asked the angel what was it writing. Angel told him it is writing names of those who love God. He inquired if his name is among them. Angle replied no. He then prayed to write his name among those who love his fellow men. The angle wrote something and vanished. The next night the angel came back and showed him the names of people who have been blessed by god and his name was on the top.
