q: Write preci and suggest a title.

One night a holy man, Abu Ben Adhem, woke up and saw an angel writing in a book of gold. Unframed, he asked what the angel was writing and was told it was the names of those who love God. When he asked whether his name was on the list, the angel said no. Abu then requested to be written as one who loves mankind. The next night, the angel returned and showed him the names blessed by God's love and Abu's name was at the top.

Title : The Reward of Loving Humanity.

title at the top and word count at the end

be precis and to the point there is no need to write detail of the event preci is the crux
need improvement
