

Zero Emission: A Deceptive Slogan

Public Consider ^{as humanity} renewable energy saving initiative, replacing hazardous fossil fuel.

Multiple Institutions and ~~Activists~~ believes that net zero is the

path to earth's recovery from pollution. Unfortunately, this Green Revolution is causing more

harm because, Clean technology requires rare earth metals like cobalt, ^{and} lithium etc. for its

production. Process of mining of these metals from poor countries like Congo and Chile has poisoned the region by chemicals making it inhabitable. Electric vehicle

production emits more carbon than traditional combustion engines.

Batteries and solar panels with limited lifespan poses recycling challenge.

While, turbine blades cannot be recycled, causing more harm to eco system.

if he is asked to say a poetry
similar to Ghalib's, ~~the~~ he
would never be able to do that.

Because "understanding" and
"Creation" are the two distinct
concepts. Understanding originates
from the intellect. Whereas,
"Creativity" comes from insight and
inspiration. What Ghalib has
achieved is not the result of
knowledge or hardwork but
it was because of exceptional
intelligence, emotions and divine
blessing. That's why even after
decades his poetry touches heart

Question No.??

Ans 1) Timothy Dexter's rivals advised him to ship coal to Newcastle, to humiliate him, because they were tired of his continuous success. Newcastle is famous for its endless coal supply, that's why Dexter's rivals thought no one will buy coal from him, ending him up with a loss and failure.

⇒ But the fate had other plans. Miners Strike in England created shortage of coal, which made a good ground for Dexter's coal business. He sold his entire cargo with huge profit, disappointing his rivals.

Ans 2 As Dexter arrives in England, Miners Strike had stopped production, creating shortage of coal in the market. This creates a favourable ground for

Dexter's coal business. Dexter sold his entire cargo with huge profit, disappointing his rivals.

Ques 3 The author shows how ~~luck~~ wins even with less or no intelligence. As seen in the case of Dexter's ~~repeated~~ ^{repeated} success out of luck, even with his foolishness. This implies the importance of luck.

Ans 4 Usually it is suggested that wisdom and education are pre-requisite to excel in business - Dexter's repeated success out of mockery, converting it into success and profit challenges this conventional idea -

Ans 5 Till the time Dexter was making foolish [?] or can be said as, "New Ideas," it was perceived as foolishness by his friends. But as the idea worked, and Dexter's plan succeeded they consider it genius and lucky and started feeling envy, showing how result shape the perception of foolish and intelligence.
