Title:- ~~Is renewable energy ecofriendly/~~  
~~Environmental friendly)~~

Total words:- 99/

04/20

Overall understanding the idea is ok  
 Title needs improvement.  
 Grammar is ok.

In the public imagination, renewable energy has been <sup>canonized</sup> ~~canonized~~ as humanity's moral salvation because its antidote to the fossil fueled past. Activities like carbon neutrality and net zero as if they were sacred promises of planetary healing. The euphoric rhetoric surrounding ~~solar~~ renewable energy conveniently omits ~~these~~ its invisible costs. Each ~~clean~~ technology requires rare-earth minerals. Electric vehicles' batteries emit more carbon than combustion engines. These batteries pose recycling challenge. Turbine blades cannot be recycled, while solar panels deteriorate into toxic waste. Humanity's ~~obsession~~ with "green labels" has turned environmentalism into a marketing enterprise than a philosophical awakening.
