## QUESTION 2 : PRÉCIS

**TITLE :** "Glorification of Renewable Energy  
Versus Reality"

Overall understanding the idea is ok

Title needs improvement.

Work on Sentence Structure and grammar

06/20

Now-a-days, the alternative of fossil energy, renewable energy is supported by every individual. Because of its properties to impact <sup>the</sup> planet almost zero. But, the reality is that it affects the planet in other aspects. Since the production of renewable sources demands mining practices of minerals such as, rare-earth minerals in the poor regions of the world. Ecology is being destroyed to attain those minerals. The electric vehicles are good for the environment, but the production of its batteries emits more carbon and has limited life of working. Similarly, wind and solar farms, turbine blades, solar panels cannot be recycled but also depends upon fossil fuels for maintenance. Therefore, besides the attractive phrases of "clean energy", its other side exploits the environment. Like it heals the planet but along with affecting it through other ways.

Precis should be one 3rd of original passage

Your passage reflect the original idea

Don't take direct sentences from the passage

It is not the narration do precis

Title should be self-defining and self-explanatory to the passage

Make a Precis in Single Passage

Always write in third person

**WORD COUNT:**

Words in Passage = 245 ÷ 3 = 116

Words in Single Passage = 133

In comprehension answer each question comprehensively

Do not be irrelevant in your answer

Please enhance length of each answer

Read the passage carefully

### QUESTION 3 : COMPREHENSION

1. Why did Timothy Dexter's rivals advise him to ship coal to Newcastle, and what was the intended outcome of this suggestion?

The Timothy Dexter's rival advised him to ship coal to Newcastle as they were jealous of him. Because of Dexter's success and business despite having minimum education. The rivals' intention was to embarrass Dexter by suggesting him to ship coal to Newcastle, England where the coal is abundant.

2. What unexpected event in England transformed Dexter's apparently foolish coal venture into a profitable success?

Timothy Dexter upon the advice of his rivals shipped the coal to Newcastle. Fortunately, the miners of England struck and aborted all the production of coal. This has already created the shortage of coal. Upon reaching the Dexter's ship, he sold all the coal and earned a huge amount of profit.

3. What does Author imply about the relationship between luck and intelligence in Timothy Dexter's success?

The Author reflected the idea that luck and intelligence, both are imperative in Timothy Dexter's success. For instance, he was intelligent without having education and started a huge business, but when his rivals tried to fool him, his luck played the role and Timothy Dexter got successful. Thus, luck as well as intelligence both played a relative role in his success.

4. How does Dexter's repeated success in mockery into profit challenge conventional ideas about business wisdom and education?

As Timothy Dexter had confidence despite having minimum formal education. He challenged the ideology that education is prerequisite for the successful business. He showed that business wisdom is a separate domain than education. Even the attempts to make him fall from the rivalries could not affect his wisdom in business.

5. What can be inferred about human perception of "foolishness" and "genius" from the way Dexter's rivals reacted to his achievements?

As the Dexter's rivals considered him foolish but his business wisdom has constantly made them failed in their attempts to drag down Dexter. But, Dexter was ~~ex~~ exemplary of that even if people consider him foolish, yet they he can gain the maximum benefit.

Ahsan doesn't want to study, nor does he want a job.

## QUESTION 5A : PUNCTUATION

03/05

The Prisoner looked through the narrow window and said, "They call this justice, yet I have never been heard." The Guard replied softly, "Orders are orders, sir! Freedom isn't decided here." A Journalist outside shouted, "The Minister claimed no one is above the law, but who decides what law means when truth is behind bars?" The cell fell silent, the prisoner smiled faintly and whispered, "They can cage a man, but not his conviction."

## QUESTION 5B : PREPOSITIONS

## QUESTION 7 : TRANSLATION 03

If an

An Urdu Professor claims that he understands ~~well~~ the Ghalib's texts well and can converse upon this art, so ofcourse he is showing his knowledge expertise, But, if he is requested to present a single verse as Ghalib, then he would be helpless. Because wisdom and innovation are two different domains. Wisdom is biprodukt of mind whereas innovation is revelation. The respect level that Ghalib has achieved is not by mere wondering and hardworking, but through extraordinary intelligence, empathy and go God-gifted. This is the reason that even after centuries, his poetry <sup>influences</sup> ~~affects~~ the same as they did during that era.
