The Deception of Green Energy

### Renewable Energy: The Euphoric Rhetoric.

The public notion about clean energy is a solution to the fossil fuel past. While the people concerned are seeing carbon neutrality as a holy duty for sustainability of the earth, the notion is exploiting the planet's resources more than ever before. All means of renewable energy are coupled with unknown cost because the demand of mining rare earth metals ~~is~~ increases. The extraction is done from the third world countries. The arable land is destroyed by excessive mining and poisonous runoff. The cycle of mining, pollution and waste generation continues as making of an electric battery emits more carbon than the traditional fuel engines. But if space is limited and it is the cause of heavy electronic waste. Wind and solar farms also harms the ~~area~~ environment as the blades are

If a professor of Urdu claims that he truly understands <sup>Ghalib's</sup> the poetry of ~~Ghalib~~ well and by effective debate on his literary beauty, he can make something wonderful, indeed he is showing off his sound knowledge. But, he would fail badly if he is asked to write a single couplet like Ghalib did. It is because knowledge and creation <sup>wit</sup> are two completely different paradigms. Knowledge is the product of AV wisdom while creativity is the result of metaphysics. The achievements of Ghalib was not merely a result of extensive reading or hardwork rather it <sup>showed</sup> had supernatural wisdom, true feelings and a gift from divine power. This is the main reason Ghalib's poetry ~~still~~ <sup>soul</sup> pleases the ~~soul~~ <sup>soul</sup> hearts.
