The Deception of Green Energy

### Q2) The Paradox of Green Energy

06/20

Overall understanding the idea is ok  
Title needs improvement.  
Grammar is ok.

Renewable energy is celebrated as humanity moral and environmental <sup>conceals</sup> ~~statement~~, yet it <sup>avoid cutting</sup> ~~conceals~~ a troubling contradiction. Technology like Solar Solar panel, wind turbines, and electric vehicles rely heavily on rare minerals extracted through destructive and exploitative mining practice, mainly in poor regions. Despite their clean image, these technologies causes land degradation, pollution, and high carbon emissions during production. Electric vehicle batteries and turbine blades further contribute to waste and recycling challenges, while renewable infrastructure still depends on fossil fuels for supports. Thus, the notion of zero emission is misleading. True
