

Q.3 Read the passage and answer?

Q.1 Why did Timothy Dexter's rivals advise him to ship coal to Newcastle and what was the intended outcome of this suggestion?

Ans Timothy Dexter's rivals were jealous of his success and tried to humiliate him. They advised him to send his ship coal to Newcastle which already had coal stocks. By suggesting this to Dexter, they thought he would lose everything and get humiliated.

Q.2 What unexpected event in England transformed Dexter's apparently foolish coal venture into a profitable success?

Ans When ship coal reached England, there was a miner's strike and local production of coal had stopped. There was a shortage of coal. Dexter sold coal for a massive profit and turned apparently foolish coal venture into a profitable success.

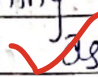

Q.iii

What does the author imply about the relationship between luck and intelligence in Timothy Dexter's success?

Ans

The author implies that only stroke of luck ^{implies} does not work everytime. Luck and

intelligence go hand in hand.

The right timing of decisions and hardwork  as well as

luck turn the life into victories.

So, both luck and intelligence play a role in Dexter's success.

Q.iv

How does Dexter's repeated success in turning mockery into profit challenge conventional ideas about business wisdom and education?

Ans

Dexter's repeated success in turning mockery into

profit challenges conventional ideas about ~~the~~ business wisdom

and education in such a

way that huge profits in business do not require formal

education as Dexter had little formal education. It does not

require business wisdom. The

DATE: ___/___/___

requisite element is confidence of taking decisions into right time.

Q. v What can be inferred about human perception of "foolishness" and "genius" from the way Dexter's rival reacted to his achievements?

Ans It can be inferred that human perception of foolishness is having no formal education and wisdom while genius is one who has formal education and wisdom.

Q. 4 correct \longleftrightarrow the five?

0/10
