Q#2

Precis

The Deception of Green Energy

Title: Renewable Energy: A Paradox

People often think that renewable energy is a source of salvation from fossil fuel and they say it Carbon neutrality or zero sum; but they are unable to see the opposite side of coin, actually it is

03/20

Write clear and short sentences
Avoid complicated sentences
Work on Sentence Structure and grammar

green energy is becoming the cause of social degradation and pollution, Cobalt and Lithium have perfectly barren in land of Congo and China. Also the age of Car batteries is limited and unable to recycle it that play a big role in pollution. Moreover solar panels after use of some time become a threat to pollution environment and wind turbine blades never recycled and become a source of burden. Hence all the green energy turned the world into business that people are unable to see the true colours of green energy.

poor regions

Humanity, instead of healing the Earth through renewables, is inflicting new wounds under the guise of progress.

Precis words: 151

Date: _____
Q. No. 3

Comprehension

07/20

(1)

Timothy Dexter had a good luck. His luck always worked for him and through his good luck he earned a good reputation in society, but his rivals, who jealous of him, advice him to ship coal to Newcastle, because England is famous for its

Sentence Structure???

continuous supply of coals. The rival of Dexter thought when he went there he will be humiliated as England ^{country} is rich of coal, there is no need of coal there, but there bad luck and Dexter good luck. when he reached there in England, miner's has stricked due to his and coal supply has shortage. Dexter earned a lot of profit.

(2)

Increase length, write relevant and clear sentences

The miner's strike and shortage of coal production transformed Dexter journey, into profitable success

Date: _____

(3)

The author implies that Dexter's success was largely due to luck rather than intelligence. It is seen in the passage that despite making foolish decisions, luck always worked in his favor, suggesting that being underestimated can sometimes provide an advantage.

(4)

Dexter's repeated success, such as selling bad warmers as molasses, ladies show that formal education and business wisdom are not always necessary for success. His ability and methods challenge the intelligence of a human.

(5)

It can be inferred that human perception of foolishness and genius is often subjective. People often misunderstand what is smart and what is foolish.

Date: _____

Dexter's rivals thought he was a fool but his success shows that sometimes what seems silly can actually be clever or lucky.

Q5:

(A) Punctuate in following passage?Passage:

04/05

The prisoner looked through the narrow window and said, "They call this justice, yet I have never been heard." The guard replied softly, "Orders are order, sir; freedom is not decided here." A journalist outside shouted, "The minister claimed no one is above the law, but who decides what law means?" When truth is behind bars, the cell fell silent. The prisoner smiled faintly and whispered, "They can cage a man, but not his conviction."

(B) Punctuation

02/05
