Read the passage carefully

Tommy Dexter wanted him to lose everything. Newcastle was famous for coal production but when the time Dexter shipped coal to the city, miners were on strike and there was shortage of local coal causing Dexter to earn huge profit.

Q2 what unexpected event in England transformed Dexter's apparently foolish coal venture into a profitable success?

A. When Dexter reached Newcastle city, miners strike had stopped local coal production. Thus Dexter so made huge profit by selling his coal.

Q3 what does the author imply about the relationship between luck & intelligence of Tommy Dexter?

A Tommy Dexter constantly made bizarre ^{business} decisions that somehow turned into fortune. Thus with little formal education but plenty of such confidence made him both fool by actions and genius by luck.

Q4 How does Dexter's repeated success is ^{turning} mockery into profit challenge conventional ideas about

1 business, wisdom and education?

Tommy Denters case ~~suggests~~
tells us that ~~a~~ successful
~~for~~ business is a matter
of luck besides ~~the role of~~ wisdom
and education in bringing
setting up a big business.

Q 3 what can be inferred about
human perception of "foolishness"
and "genius"

Being underestimated is
~~the~~ best advantage a
man can have. Denters
rivals were stunned by his
foolish actions leading
to great achievements, only
labelling him as genius
a genius could have made.
This human perception gave
him a reputation as
both a fool and a genius.
