### The Deception of Green Energy

Title of precis: The Paradox of Green Revolution

Word count of passage: 352 words.

Word count of precis: 120 words

### Precis:

In the very effort of saving the planet, renewable energy is glorified as the moral solution of humanity's environmental crisis. Behind this idealized image lies a troubling truth that green revolution is depleting the resources of earth. The so-called green revolution hides environmental harm, turning the quest for sustainability into another form of ecological destruction. For instance, Electric vehicles, symbols of sustainability, in fact generate high carbon emissions. With short battery life, these vehicles create severe
