Renewable energy has been ~~presented~~ as a ~~panacea of all~~ environmental problem and ~~to~~ achieve net zero carbon emission. But it

is exacerbating the problem.

Many companies have deteriorated their ~~environment~~ for production of green energy. The clean energy producing vehicles, solar panel and wind turbine are dependent on fossil fuel and produce toxin after a specific time period. This makes "zero emission" an illusion. Technology has turned ~~environment~~ into marketing

enterprise by using green label. Sustainability can be achieved through collective efforts and restrain not by further industrialization. Renewable energy is

1,

Timothy Dexter's rivals advised him to ship a load of iron to Castle because they wanted to humiliate him as Newcastle was famous for its endless supply of coal. The intended outcome of this suggestion was loss of Timothy Dexter's ~~and~~ ~~his~~ every thing.

2,

The miners strike had stopped the local production of coal which created a sudden shortage. Transformed Dexter's apparently foolish decision into profits.

3,

The author implied relationship between luck and intelligence in the Timothy Dexter's story that his luck made his seemingly foolish decisions into profits.

4,

Dexter's repeated success in turning mockery into profit challenges conventional ideas about brilliance and wisdom and education as he had

representation of both as fool and genies he had little education.

As conventional idea is you need education to be wise and brilliant. But Dexter's repeated success while having little formal education has challenged the conventional view of wisdom and education.

5.

It can be inferred human perception of fool and genies that a man can be a perceived fool can be a genie and a genie can perceived to a fool from other side how a fool perceived genies left his rivals speech less.

To do write one verse of poetry just as Ghalib did he would help less. Because understanding and creativity are two different things. Creativity results from revelation. Thinking emerges from mind. The sources granted Sentence Structure to Ghalib can not be achieved by mere reading and hard work rather it was an example of unprecedented wisdom and kindness. This is the reason that his poetry affected heart after centuries as it used to do in his age.
