Name Fiza Day   Batch 80

True Love for God

One night when a holy man, Abu Ben Adhem woke he saw an angle writing the names of those who love God, but his name was missing. Then, he asked him to write his name instead of those who love his fellow human-beings. And when the next night angle came with a list of those blessed by God's love. His name was leading the list, demonstrating that the true love for God is expressed through love for his creation.
