Title: True Devotion to Humanity

One night, Abu Ben Adhem saw an angel writing the names of those who loved ~~God~~ God. He asked what was being written and whether his name was included, but the angel replied that it was not. Abu then requested to be recorded as one who loved his fellowmen. The next night, the angel returned and showed him the list of those blessed by God's love, and ~~then~~ Abu Ben Adhem's name appeared at the top.
