

Title should preferably be a phrase, not a sentence. Indent the paragraph.

God loves those who <sup>love</sup> his people  
Abu Ben Adhem, woke up at night and  
saw an angel writing something in a gold  
book. He enquired the angel calmly about  
what he <sup>was</sup> writing. The angel replied  
peacefully that he is writing the na  
mes of those people who <sup>loved</sup> the  
God. Ben Adhem asked for his name.  
The angel replied in nod. Then Ben Adhem  
requested the angel to write his name  
in the book of parantroupiat. The angel  
came the next night and the name  
of Abu Adhem was mentioned on top.
