5) Conclusion

For the preparation of a certain dish, all the ingredients of that specific recipe are required in certain amount. A slight difference in the variety or amount of ingredients can result in a variable dish. Same is the case ~~in~~ in bringing peace in Balochistan. There are various challenges which needs consideration and careful calculation and a slight ~~mis~~ miscalculation or carelessness can result in ~~missing~~ ^{missing} the target. ^{One of the} Certain measures to bring peace in Balochistan includes economic support. ~~among others~~

In addition to economic support it is important to address the demands and grievances of baloch people as they are the main actors in achieving peace. In order to liberate Balochistan from terrorism, it is crucial to educate people and change their mindsets to cooperate with the concerned institutions. Change in governance

policy will also ~~have~~ help in bring peace in Balochistan. ~~People's~~ ~~disorder~~ ~~challenges~~ No matter if a certain population of Balochistan is ^{financially} ~~economically~~ ~~stable~~ ~~off~~ stable, it is not enough to achieve peace. Some critical challenges include unlawful demands of Baloch people, ^{anti-state} their ~~developed~~ mindset which is nearly impossible to change; ultimately leading to terrorism in province. Even reform in governance policy can't help to achieve peace. Despite of all these challenges and barriers bringing peace in Balochistan is possible by providing economic assistance to the people, addressing their grievances, combating terrorism, changing mindsets of people and reforms in governance policy can play an effective role in ~~help~~ achieving peace in Balochistan.

In order to bring peace in Balochistan economic assistance is crucial. Financially deprived people often turn towards illegal

and unlawful activities ~~hindering~~ ~~hindering~~ and hinders peace going goal. People deprived of basic needs also doesn't hesitate from joining terrorist groups in order to meet their basic needs. Recently a 21 years old student from Balochistan was hired for terrorism by taking advantage of his financial constraints. Hence addressing financial constraints and providing financial assistance can play effective role in bringing peace.

In addition to financial assistance consideration of ^{grievances} ~~grievances~~ ~~people~~ of Baloch people is crucial. Grievances of Baloch people ^{are} ~~is~~ ^{important} ~~crucial~~ to be considered because Baloch people are the main actors in bring peace. Grievances of Balochis are diverse in nature but the most important one is resources ownership and distribution. According to an article published in dawn on 12th March 2025, Sui fields ~~are~~ have been supplying the country with natural gas since 1950s but a number of areas of Baluchistan itself remains deprived. In a

nutshell, ~~con~~ addressing Baloch's grievances is very important in order to bring peace in Balochistan.

Along with ^{addressing} grievances of Baloch people combating terrorism is the key element to bring peace. At the top of all ~~the~~ the challenges and barriers in peace path of Balochistan is terrorism. Terrorism in Balochistan is a complex issue ~~accompanied~~ ~~and~~ consisting of external elements that operate through ~~national~~ domestic terrorist group; BLA. Intelligence based operations and ~~not~~ direct military intervention can effectively combat terrorism in Balochistan. ~~Operation~~ Intelligence base operation "Zarb-e-Azab" conducted in 2014 against terrorists in FATA broke the backbone of terrorists. Hence, the central point to achieve peace in Balochistan is to combat terrorism.

DATE: _____

In a nutshell, provision of financial assistance to the deprived people of Balochistan can significantly help in bringing peace. Likewise considering and addressing the grievances of Baloch people is of equal importance. Additionally, efforts to end terrorism would significantly lead to a smooth way towards peace gains.
