

QUESTION: 2

Title: Bad effects of modernity

The expertise of modern life impacts an intellectual life in a bad manner. When an individual wants a solution for ^{his} welfare, he finds some economist. There are many different sectors for different solutions of a problem. One discipline solves the problem according to their knowledge. A solution becomes true according to their perspective. The different discipline reflects the image of a broken mirror. It is not easy to unify the different pieces of mirror in a coherent manner. For the true solution, human being must reflect the thoughts. There is a need of institutions such as school

and universities who teaches knowledge in a broader manner. In a nutshell, the worship of expertise brings a detail of everything at higher level but blind the actual picture.

QUESTION 7

Respect is the centre of society, that reflects the moral and spiritual conditions of society. The degradation of good manner indicates, that it will have worst condition. Alas! today's good manners are become destructive because it comes under a control of elite. A writer who sells his writing for money. Actually, he sells his self-respect. A real writer who raises his

voice for truth and he will take action against truth. No matter what he sacrifices for that. In today's world, a writer full of courage is not present. Sometimes, a writer sacrifices his respect on the forum of power. His writing purpose of is to provides benefit to the elite tycoon. It becomes the reason for dishonesty with literature and against the nation.
