Title: Need to put knowledge back again

Worshipping of expertise has created stir in intellectual life. With knowledge becoming more specialised, the author find himself restricted to face humanity problems. The author turn to scientist, economists for purpose of life and human welfare but it do not make them expert of whole life. Economist see human being as getting benefits at low cost. Biological sees human as carriers for reproducing while psychologist view human as learned behaviour pattern. Breaking Fragmenting of knowledge has disabled to managing problem. The author feels something is lost due medieval thinker ignorance, as intellectual world is like a broken mirror. Then greater authority to experts has weakened comprehending ability. The author feels more reliance on expert has made childish. Author feels to put specialized knowledge in proper place, while second after wisdom. The author believe on integrating ideas for solving complicated question, for this author believe on need of schools to teach students thinking broadly. The author further feels to enhance

the power of ordinary intelligence shaped by the culture and cognitive skills for making good decisions. Thus ^{integrating} putting up knowledge back together again is the solution by becoming expert on civilisation who know more about less.

Q2 Comprehension Passage

Ans No 1 The author feels that ~~tradition and progress~~ about fundamental error regarding tradition and progress is that author has been taught about two as locked in eternal opposition. Tradition is representing dead land of the past and progress representing the dynamic energy of the future. This trap is dangerous for intellect.

Ans No 2 The author said that every European renaissance looked backward to classical antiquity even as they

moved forward into modernity. Another great religious reformer grounded their revolutionary visions in ancient texts. Scientific revolutions often involve the recovery of neglected insights from earlier thinkers.

Ans NO3

Author means tradition is a dynamic dialogue where the present interrogates the past ~~and~~ and challenges the present. It is not fixed but active engagement that helps in civilisation growth.

Ans NO4

The paradox here means that people in modern world seeking meaning, purpose in new age movements, never suspecting that what they seek might be found in the traditions they have been taught.

It reveals the contemporary society, in its rejection of past has become restless indicating a historical ignorance.

Ans NO5: One could argue that such a distinction is possible as humans use intelligence and judgement to evaluate consequences.

Translation

Literature is the pulse of any society which presents the moral and soul situation of it. When any ~~country~~^{nation} is ~~having~~^{facing} the decline of literature, then it must be understood that the nation is going to meet its end. Lamenting it is that today's literature has become immoral and it is in the clutches of mafia. Which writer sells his pen in exchange of money basically he too sells his ~~heart~~ conscience. Real writer is who ~~can~~ raise his voice for truth and pick up his pen against the false, even he has to sacrifice ~~for~~ it. But, today

writers like these are almost in small numbers
Mostly, writers bend down after the powerfuls
and by their writings, they ^{are busy in} try to impress
the power corridors. This is mal intent
with literature and the public.
